

# Desiree Perry

## web design & illustration

---

### STORYTELLING DESIGN

Compelling, creative structure. Beautiful presentation. Intuitive operation. These are the signs of excellent design in any medium. As a web designer, illustrator, video editor and audio producer, I strive for creative simplicity – the perfect balance between beauty and ease of use.

I create meaningful experiences through innovation in storytelling. Everyone has a story, let me help you tell yours.

### SERVICES

- Website designs and interactive graphics.
- Illustrations and print designs.
- Video, motion graphics and audio editing.
- SEO, social media, and consulting & training.
